

3MF (a.k.a. 3MotherFunkers) is a groove-oriented powerhouse that combines the hip-shaking force of alternative dance with the sublime arrangements of the finest electro-funk, creating a sexy concoction that's guaranteed to keep the dance floor going. The brainchild of multi-instrumentalist and producer Saat, 3MF has been turning heads in the Mexican funk scene since 2002, thanks in part to their electrifying live performances that boast undeniable grooves and sublime improvisations. Their two studio albums "Music for walking with style..." (2004) and "Porn" (2007) have garnered them national and international critical acclaim for blurring the lines between funk and other musical genres. 3MF has established itself at the forefront of a vibrant funk movement that continues to grow with new audiences and new sounds.

3MF RELEASES **MOVE**

3MF (a.k.a. 3motherfunkers) releases their long awaited third album "MOVE!". The album showcases eight amazing tracks chock-full of grooves that fuse the modern sounds of "alternative dance" and the sheer power of funk. 3MF's producer and leader, Saat, reaches new musical heights by adding vocals to the songwriting process, making it a landmark album for the band.

Recorded during the second half of 2008, "MOVE!" offers an amazing mix of musical concepts that revolve around the ideas of movement, dance and attitude. There's the dance-rock sound of the opening track "Dance 2 Forget U", the electro-funk of the title track "MOVE!", the revolutionary anthem "You Won't Bring me Down" and the introspective soul of "Getting to Know Myself". MOVE! Is an eclectic album that's sure to please the fans of 3MF and invite newcomers to the party.

MOVE! Will also be innovating in terms of distribution for the album. It will be available worldwide as a free download on the band's official website www.3mf.net, as a thank you to all the fans and as part of what 3MF believes will become the next trend in the music industry of the future. The download will be available starting November 30.

3MF will begin promoting "MOVE!" online and with a special free concert on November 21 at the heart of downtown México City, after which they will embark on a national tour starting in 2009.
